Summer is when one's lawn should give maximum pleasure. It's also the time when a bit of extra care is especially fruitful.

Hence this extra summer issue of Lawn Care. We hope you'll get some good timely suggestions from it.

Best regards

C. M. Scott
President

SCUTL® (Effective Crabgrass Control)

This is the wonderful lawn medicine that stops demon Crabgrass from taking over the lawn. SCUTL, the result of over 10 years' intensive development work by O M Scotts Lawn Research, is now in its fifth year of service to more than a half million users.

The clean, glistening granules of SCUTL are easily broadcast with a Scotts spreader. *Late summer SCUTL-ings control smothering, matted Crabgrass, stop harmful seeding on the lawn.*

4-XD® Weed Control This clean, granular compound of 2,4-D is easily broadcast to clean out Dandelions, Plantain, Buckhorn, other similar weeds and pave the way for effective fall seedings.

WEED & FEED Unique dry compound combining 2,4-D and grass food that subtly disposes of broad-leaved weeds as it feeds the grass to greater health and beauty.

LAWN & TURF Pest Control For better times outdoors now and all fall, apply this dry formulation . . . curtails annoying activity of Chiggers and Ants. Helps protect grass from damage by Beetle Grubs, Chinch Bugs and Webworms. Quickly broadcast with a Scotts Spreader.

Scotts® SPREADERS These practical carts enable the amateur to do a quick, accurate job of feeding, weeding, SCUTL-ing and pest control. All of sturdy steel construction, rubber tired. Hang up out of the way in the garage when not in use. See illustrations on back.

Fall 1954 Price Schedule

Scotts® LAWN SEED Top quality blend that makes the deluxe lawn in full sun or moderate shade. Particularly good for late summer—early fall plantings as seed is all perennial.

Scotts® "SPECIAL" SEED Selected blend of grasses that thrive in good or poor soils. Produces rugged turf in difficult situations of dry soils, play areas, terraces. Does well in shade or in full sun with ordinary care.

TURF BUILDER® The ideal grass food, Scotts own formulation backed by over 25 years' success. Use it to restore health and vigor in lawns. No offensive odor before or after use.

Coverage shown is for complete series of repeat treatments to areas indicated.

Scott's® SPREADERS Pay for Themselves in TIME and MATERIAL Saved!

No 25

This is "Mr Scotts Spreader" himself... lightweight and easy to handle. It has the rugged lasting construction that makes this machine just right for the MEDIUM SIZE LAWN. Spreading width 17 inches, hopper capacity to treat 2500 sq ft with one filling. Rubber tires, of course, and handy rate control on back of hopper. Positive shut-off control at your fingertips. You can count on years of dependable service. Use it for fertilizer, seed, weed controls — yet your investment is only **\$12.85 delivered.**

No 65—\$19.50 delivered. This model of extra sturdy construction is recommended for the larger suburban lawns. Spreading width is 23 inches and hopper has capacity to treat 5500 sq ft with one filling. For busy people, it adds up to large area coverage in a hurry. Easily set rate control makes possible applications of tiny seeds, coarser fertilizer or weed control particles with uncanny accuracy. The No 65 is quickly converted into a yard cart by dropping plate in hopper. Rides on cushion rubber tires, so easy to push and operate. Shut-off controls on handle.

No 100 Estate Model — \$44.50 For large home lawns, golf courses and professional landscape use. Spreading width 36 inches. Treats 1/4 acre in one filling. Equipped with fixed baffle plate, heavy duty semi-pneumatic tires to make for easy pushing. This is rugged built equipment, yet calibrated to broadcast Scott products as accurately over acres as small lawns.

No 25 — \$12.85

and here's JUNIOR

Small and mighty this Scott distributor is an exceptional value for the lawn owner with limited space or the renter. Sturdy metal construction throughout with hopper capacity to treat 1000 sq ft with one filling. Rubber tires and handy rate control and shut-off on the handle. It won't cut as wide a swath as the other spreaders, may take a little longer — but you'll get years of good service. The low price...

\$7.95 delivered

SCOTT'S® LawnCare® AIDES for Late Summer

SCUTL® Effective Crabgrass Control

This is the wonderful lawn medicine that stops demon Crabgrass from taking over the lawn. *Scutl*, the result of over 10 years' intensive development work by O M Scotts Lawn Research, is now in its fifth year of service to more than a half million users.

The clean, glistening granules of *Scutl* are easily broadcast with a Scotts Spreader. Late summer *Scutl*-ings control smothering, matted Crabgrass, stop harmful seeding on the lawn.
